ABOUT US:

Brookestone Village provides quality care and comfort, offering short-term rehabilitation and long-term nursing care. We are located in Millard, just South of F Street on South 144th Street.

At Brookestone Village, we have seven unique households with private and semi-private rooms. Each household serves 18-21 residents and features a nurses' station and dining area. There is a silent call system for nursing assistance, which enhances our peaceful, homelike environment. Additionally, we are surrounded by a beautiful lake and landscaped courtyards.

We offer personalized care for each resident and we pride ourselves on making sure all of their needs are met. If you are looking for short-term rehabilitation, long-term care, or care for your loved one with dementia, be sure to visit Brookestone Village where our mission is to provide Dignity in Life for every individual that enters our doors.
