Dear Kristine,

Thank you for submitting your application for the Vetter Health Services Scholarship. Vetter Health Services is committed to education and aims member growth, and we are very excited about you commitment to your own personal and professional growth!

The number of applications for the scholarship this quarter, along with the high quality of applications, made this a very difficult decision for the scholarship committee. The committee bases its decision of scholarship winners on the application responses, field of study, number of hours worked and administrative professionalism. Based on our review, we are pleased to inform you that you have been awarded a \$1,000 scholarship to attend Northwest Missouri State University.

Based on your anticipated graduation date, we will divide your scholarship into one payment of \$1,000. The payment will be made directly to Northwest Missouri State University and will be paid in the following months: February 2015.

In order to begin the payment schedule please contact Bridget Grim at 402-895-1032 or e-mail her at bridget.grim@vhs.com to let her know that you are accepting this scholarship. You may also contact her any time if you have questions or if payment information changes. Please note that in order to continue to receive payments on your scholarship, you need to continue employment with a Vetter Health Services facility.

We would also encourage you to contact Nebraska Health Care Association as we are aware that they have scholarships to offer as well.

We wish you the best in the pursuit of your degree.

Sincerely,

Glenn Van Ekren
